Reviews

...is finally recognised outside his own country as one of the great jazz saxophonists.

„Jazz Changes" (England)

...belongs to the best of contemporary European Jazz.

„El País" (Spain)

...a musician with glowing expression.

„Jazz Podium" (Germany)

...a blues-rooted force in the tenor playing that's deep-seated and effective.

„Cadence" (USA)

...has a big, soulful, breathy sax sound.

„Cue" (South Africa)

...surprised with the depth of his interpretation.

„La Nacion" (Argentina)
